Job performance evaluation is increasingly important in the business world. However, there is little information available to help practitioners understand the correlation between academic performance evaluation and performance evaluation and performance evaluation based on job responsibilities. Two questionnaires were sent to 538 full-time university faculty members: the Type A Behavior Pattern Scale (D. F. Klein, 1993, journal of personality assessment, vol. 5, pp. 226-32) and the Job Satisfaction Scale (J. A. Meyer and S. C. House, 1994, Journal of Vocational Behavior, vol. 47, pp. 1-14). The two-way relationship between academic evaluation and job performance evaluation was examined by use of correlations and multiple regression. A positive correlation (p Q: Emacs - executing autocompletion in a dired window in a different emacs session which does not have the appropriate package installed? It should work like this: Within dired window (in different emacs window), press C-x r l. The directory will get closed when I close the dired window. A: this works (
