

Book review: Alan McDermott's Gray Justice 5*. When the killer walks away from court, the victim's father sees only two options: accept the judge's decision; ...or kill the killer yourself. In both cases, all his actions are recorded and will be presented to the court. The killer realizes that he can be accused of a crime he did not commit...
When the killer leaves the court, the victim's father sees only two options: accept the judge's decision; ...or kill the killer yourself. The killer is aware that he may be accused of a crime he didn't commit.
