Thursday, March 27, 2014 Being Moved This week I read a fantastic blog post by Joni Morad. Joni is a professor at Duke Divinity School. She has written a book called "Being Moved: An Uncommon Life in the Church." She talks about her journey to experiencing life in the church from an evangelical Christian perspective. So, if you are looking for a fresh perspective on the "church thing", I recommend you read Joni's post. It's a great perspective on the church. Joni talks about how hard it is to let go of her old church and community. She explains how she is working through the transition of being "moved" and how it has changed her life. So, if you are in the transition of leaving your church and community, this post might help you. Quotes from Joni: "I felt like I was being dragged. I felt like something very heavy was attached to my

Super Editor Minimum Requirements: Windows XP/Vista/7/8 512 MB RAM 512 MB VRAM Windows Media Player 11 or later With the launch of the OnePlus X on the market earlier this year, many of us are eyeing the OnePlus 5. Some of us will get it and continue buying OnePlus' products. But, some of us may still be holding out. Maybe they've got some reasons to. Maybe they don't want to get burnt again. We think those reasons are definitely justified if you're one of those folks. Here are some reasons why you shouldn't buy the OnePlus 5. Price If you're buying a smartphone, you want to get a good deal for it. And with the OnePlus 5, you're getting it for an all-time low price in the market. But, you're getting a phone that's not as well-regarded as the previous OnePlus phones. One that doesn't receive the attention that it deserves. For example, not that long ago, it used to sell for around $400. Now, it's sitting at around $400 in the market. The OnePlus 5 is a great phone if you ask us. But, it isn't a phone that people want to pay all that attention for. When you see something at a low price, you end up getting it and regretting the decision later on. Be smart and buy phones when there are no discounts on them. And, you can always get the phone when there are discounts on it. 6a5afdab4c
