Xiaosong Hongqiao Airport Hangar Xiaosong Hongqiao Airport Hangar is located at No.36, Hangar 5, the 8th level of the former passenger terminal, it is not easy to approach and also has the longest history in the runways and hangars of HNQ. It is the largest hangar in the former passenger terminal with an area of over 8000 square meters. The original purpose of Hangar 5 was to be the hangar of Shanghai Hongqiao Airport Hangar; but now Hangar 5 is become the largest hangar of QPS located at the former passenger terminal of HNQ. The entrance into Xiaosong Hongqiao Airport Hangar is free from 00:00 to 07:00 on Friday, Saturday, and Sunday. Guests, however, can only enter the entrance during rush hour only between 08:00 and 09:00. Please note that Hangar 5 is dedicated as the Asian Youth Congress Hangar, therefore it is not allowed to enter the hangars for photography, shooting, and recording.
