Installation: Installation is very easy, if you have the time just follow the instructions from: Extract the files in a folder. Start the software "Brainworx BX Shredspread V1.0.4.exe". You will see the "how to use " window. Click on "Human Interface". A window will appear, click on "Tool Help", then click on "DLG Window". Click on "Save", and press "OK" on the "How to Use" window. Restart the program (it will stop working if you don't). Go to Tools>Tray Icon. Press "Browse" and select your tray icon (in your case it will be the one created during the installation).
