As the court prepares to rule on a case in the upcoming term, it's particularly relevant given what the U.S. is failing to do to both curb mass incarceration and racial and ethnic discrimination in its criminal justice system. Advertisement Justice Clarence Thomas argues that "we may need a constitutional amendment" to do so. Last month, the court ordered the U.S. Department of Justice to deliver written justification by 0cc13bf012

In a turbulent financial environment, it is not surprising that many companies are looking for ways to protect their reputation, assets, and supply chains. With the advent of the internet, unauthorized information is being provided by anyone who wishes to be a "truth seeker". In the case of Snopes, the company stated: The difference between us and competitors, such as factcheck.com, is that we do not take funding from any political or commercial entity.
