■ How to play - Character Creation Step 1) Create your character by selecting a name, gender, height and complexion, but also choose a class (Warrior, Magician or Merchant). Step 2) Customize your appearance by selecting from the large variety of body, hair, facial, and accessory items. For example, a larger chest allows for an easy cleave, while the fine hair of the hair and head piece allows you to easily see in the dark. Step 3) Create and train your character. First, increase your vitality and strength to develop your character. Then, equip your armor and equip a variety of weapons, to increase your attack power. Take advantage of your time and resources to expand your domain. Step 4) Direct the story by choosing the right dialog for every situation. Only the dialog that you choose in this step will be shown in battle, so it is important to select carefully. ■ Character creation - All you need to know about creating a character -How to create your character 1. Click the character creation screen and select the character that you want to make and make a portrait. 2. Choose gender, height and complexion as you normally would. Choose the type of class (Warrior, Merchant, Magician) that you want to make. Here, you can select the gender, race, name, and color of the character you want to make. 3. Finally, choose your playing style as "Tactical Sword Warrior" (Warrior: melee character), "Tactical Wizard" (Merchant: for getting familiar with the surroundings) or "Tactical Magician" (Magician: Magic's Fist). You can choose from among a variety of weapons, and you can learn various techniques and improve your battle strength. In Tarnished this does not include. 1.2.5 ■ Match making: Alliance Wars When the battle starts, you will be matched with the player with the same class that you made, and you can choose a team that you want to battle with. With a partner, you can battle together. (You can play against all players that are not allied to a team.) Please note that, to support the swiftness of the match making, some slight deviations to the class and gender can be allowed. You can view other players' teams and battle with them
