### **Features Key:**

An epic adventure in a multi-player world that is fully online.

An engaging real-time battle system with an emphasis on action over reaction.

Feel the thrill of adventure with innovative online functionality that allows you to directly connect with other people who are in the game.

### **Enjoy the Best of ARPG's 'core gameplay.'**

1. The diverse, open-world action game where players can freely explore large worlds, find an adventure on their own, or travel with a friend.
2. Clear and colorful graphics that are rich in detail.
3. Professionally created music and original sound effects.
4. Irresistible action that gives you the thrill of complete immersion.

### **Deploy the power of the Elden Ring and become an Elden Lord.**

- Equip a variety of weapons, armor, and magic at the town shop, and create your own unique fighting style.
- Battle against a host of enemies using a real-time, action battle system that uses a simple on/off technique to give you the thrill of complete immersion. This 3D action RPG's simple interface is easy to use and as anime-inspired as its action gameplay.
- A vast world full of excitement awaits you! You can freely explore a variety of situations, from wilderness to town, and dungeons, and even into the lands between.
