The story goes that at the time, the second warlord, the benevolent Demon King, gave the people the power to forge an arm called the Shatter Stone, making it possible to cast magic and create strange weapons. In the course of the battle, as the people enjoyed this and other weapons, the warlord's powers grew.

But a girl known as the Dawn Rune Priestess, who could understand the hearts of beasts, defeated the Demon King in a fierce battle and saved the people. She knew of the Demon King's plan to return in the future, so she gave the people the power to create the Elden Ring, a magical arm with power to rival the Shatter Stone. And so in the present era, the new Elden Ring has been born, the heir to the Demon King's will. The people of the Lands Between are once again stirring from their slumber. In order for the people to live in peace once more, an untold drama awaits...
