Features Key:

- New Authentic Player Motion – Featuring “HyperMotion Technology,” the game's authentic player motion and animations deliver a more lifelike, player-first experience that brings fans closer to the action.
- Signature Skills – The Skill Stick, a new feature that blurs the line between accuracy and power to make each shot feel different. Opportunities to use the Skill Stick are increased, and its effective range is significantly extended.
- FIFA Throw Control – With FIFA Throw Control, users are able to throw the ball from deep in their own half to a team on the other side of the pitch from their paddle. Be a thunderer!
- New FIFA FanPark features – Be a part of the atmosphere and culture around the world's biggest clubs in the new FIFA FanPark feature.
- Velvet Touch Finishing – The dirtiest players in football are now placed closer to the opponent than ever before. This makes players more unpredictable and makes a more realistic, violent and engrossing experience.
- New Camera-Overhaul – More intuitive control, improved pacing and gameplay and cinematics that reveal more of the area around the player. Gameplay has been optimized to increase pacing and smoothness in addition to being more controlled. New camera-overhaul means that the new focus of camera's movements is designed to accurately reflect how the human eye works.
- Improved Reticle – Use the 'Fighters Distance' slider to fine-tune visibility, or hold the 'R2' button to toggle the player's reticle.
- Improved Player Deflections – Players attempt to block crosses and shots far more accurately, in real time.
- New Commentary – Enhanced dialogue tracks and cut-ins for experts and veteran football journalists bring a new element to the commentary experience.
- FIFA Ultimate Team – Ultimate Team is back for the biggest city and park in the world: Melbourne! Access the new “Fan Corner” where there are plenty of ways to sharpen your skills and compete against your teammates, or simply unlock the latest items.
