Amber Isle is a game about living and working in a prehistoric village, inspired by the cute, cuddly, free world of Dinotopia. You are the new shopkeeper in a quaint and friendly village, and you'll need to help new friends and old faces, and discover new recipes, unlock new characters, and run an enduring shop of your dreams! Amber Isle features: - A charming, well-animated dino village - A unique shop management game with a straightforward interface - An easy, intuitive crafting system for creating your own unique items - A diverse cast of characters to meet and befriend - Dozens of custom-created recipes, including some exclusive to this game - Special items inspired by Dinotopia and other wonderful art - An actual 'dino-sized' table big enough for a brontosaurus - Hundreds of localised quests and special items - Shopping, crafting, friendly conversations with Paleofolk and more - Many, many, many, many years of dino-making fun! A world of fantasy and magic where you can create your own roleplaying adventures! With the exciting new 'Take-Control Mode', you can now make your own adventures! How to play the game Start the game by selecting a skill from the left-hand column. The game will automatically select an event from the right-hand column. In addition, a quest icon will appear on top of the screen. The top-left corner shows a list of previously prepared events and quests. Clicking the arrow in this corner will enable the 'Take-Control Mode'. At this point, you can watch a tutorial video or read the short manual. After this, you can choose an event, quest or character. What will you do? It's up to you. In addition, there are two buttons on the top right corner. They are labelled "New Menu" and "Menu Selection". "New Menu" will start a new game. "Menu Selection" will allow you to use a previously prepared 'menu' in the game. You can also select a character to start your adventure. You can change your menu selection using the same menu screen. First, you can change the menu. You can choose to select a new menu, use a menu from a previously played game or load a menu on the PC screen. You

The God of War Odyssey takes place on the adventure of Kratos, father of the Greek gods. Kratos is on his mission to avenge the death of his family and destroy the Norse gods. The game is a story driven action game with a unique story featuring different gods, over-the-top action, and a deep mythology. Features

- Kratos is back – Remember Kratos the murderous Spartan-born son of Zeus, banished by Zeus to the freezing Earth after killing his wife and child? Zeus made sure that no one ever saw him cry. That is Kratos, Spartan killer. Now the ruthless god is back, free from his bonds and ready to take on his foes, including the Norse gods. At long last Kratos has found his way back to his true family.
- Rewrite history - The action game where you play as Kratos is now a re-imagined game, inspired by the Greek mythology. Read the true story of Kratos or read what others have written about it.
- Craft your destiny – Lead Kratos on a perilous journey to the home of Norse gods and defy their unholy plans to prevent the spread of their army across the world.
- Expansive vistas - The action game is in an open world environment that combines the epic scale of a large adventure with the intimate and detailed environments of a game.
- Multiple endings – Fight your way through different series of challenging set pieces as Kratos fights for survival and the future of his family.
- Create a unique Kratos - Pick your weapons and armor type to make Kratos look like you want.
- Choose your playstyle - Experience the action game like never before. Complete combat challenges and become a skilled fighter.
- Master the combat system – Discover the complex combat system, containing the numerous weapons and combos, upgraded with every weapon and technique. Build up your combat skills using it - let's see who will be the greatest fighter!
- A deep and rich mythology – Explore the Greek mythology (including Aphrodite, Athena, Artemis, Apollo and more) and become the new God of War.
- A story full of battles - Take part in 30+ epic fights. Each of them provide valuable rewards.
