Prologue

A Legacy.

The Tarnished is always tarnished.

Within the Rings between, adventure has been lost in the wilderness, ruled by violence and confrontation. The lands have been ravaged by strife, and are now a grave for the new generations. In the days when the Elder Gods ruled the world, they entrusted with them a person called the “Tarnished”, a person who brought them into this age of darkness. This person is said to have their power in the Rings between, and they are incredibly feared.

The Tarnished has lost their body, and is now a decaying old man living in the lands beyond, hunting for prey to provide his own food. But at the same time, he casts his eyes on another person, who called himself the “Elden Lord”. As their eyes meet, a scar on the Tarnished’s face spreads out; and as he casts his eyes upon the Elden Lord, the Elden Ring, known as the purest and sacred object, is given to him.

The Tarnished placed this pure, sacred object around his neck. A symbol of power and place of reverence. Being blessed by the Elden Gods, and following his namesake, he will be the Tarnished no more. And now, these two fleeting figures who roam the Lands between, will begin fighting one another for the future of the world. A world in which God has been absent for so long, only the power of the Rings remain to guide the weak nations of old.

With Encounter as Friend, Their Collision as Enemy.

The Encounters are scattered all around.

In this world created by the Elder Gods, monsters of all types are scattered, connecting different areas

As you adventure through exciting dungeons and fight off dangerous attacks, you will be led to rise to the top of the ranks of Eureka Seven. In order to reach your destiny, you must master the creative use of weapons, armor and techniques. You can just focus on battling your opponent, or you can also take an active role in rebuilding your Eureka. “We hope that players who had been waiting for an update will find this content to be enjoyable, and we
