I searched a lot for this but I couldn't find any solution.I tried using setHeader() it always prints in head.Please suggest any solution. Thanking you in advance. EDIT: I am generating PDF from multiple csv files. I used foreach for fetching each csv and then splitting into pages. In each file there is 2 different columns. One is header and other is data. This is a sample file: Mike Idyllis, Friend 648931e174

sonic sex change walkthrough sonic sex change walkthrough sonic sex change walkthrough Everything Sucks! Tuesday, April 02, 2011 Political Cartoon: Will the Real Obama, Please Stand Up? This weekend, cartoonists across America have parodied the president and his first 100 days. Here's one, though you'll have to click to enlarge it: At first, I thought Obama had gotten a bad haircut. But as I looked closer, I realized that's just the temporary cover for a very ugly and downright un-presidential face. And just to show that I am not the only one who sees it, I posted it on my Facebook page. It has a lot of Facebook likes already. But I would love to see Obama in an official portrait for the 2012 election. I think it would really scare some of the voters. It's not like this hasn't been done before. Back in January, Comedian Jimmy Carrane did a bit about Carter, too. And in October, Orca drew the first Obama, Halloween-like. Today, the payment card industry is undergoing a significant transformation, with significant momentum towards EMV to be rolled out by 2015/16. The industry's evolution is creating new business models, and new opportunities for fraudsters and cyber criminals. The payment card industry continues to develop and respond to change with the objective of creating stronger, faster and safer payments for consumers and merchants. EMV is the leading catalyst for change in the industry. This session will look at the history of EMV, its new business model and how it differs from its predecessors and what it means for merchants, retailers and consumers. Join us at the epicenter of next-generation payments, the Payments Innovation Summit, to discuss what is changing the payment card industry, and what you can do to prepare. We look forward to seeing you there.
