The trio was in hot water after a saucy proposal, and they're being offered the chance to make amends with TV cameras close by They've been dubbed "the seaside couple", and given the weather and the tide those who aren't in love with Jane Packer, Tom Daley and Matt Prokopowicz know it is lucky indeed to be in love. It was a small boat and a saucy proposal that got them into hot water. As they walked off the beach into the serenity of the morning, they probably assumed all was forgotten. However, anyone who was paying attention to the South Wales police incident log knows that something bigger was brewing. They should have known that by the time the arresting officer made it to the shore after the couple's boat had gone, a CCTV camera had been installed to watch over them. Today, the camera caught the couple, in the company of a third unnamed person, parking in a stairwell that led down to the beach. In the sunlight there is no mistaking Tom Daley, 23, the world's top-ranked male diver, who had seemed oblivious to this probably small-scale but nonetheless juicy scandal that was to come. And there is no mistaking Jane Packer, his 24-year-old fiancée, who is also the reigning world diving champion. The couple were in hot water after a saucy proposal during an event at Cardiff Castle. If you link Visual Studio to a working set of source files, you can see that in the output window of DebugView.exe. Is there a way to do this for the total amount of memory used by the application as a whole? A: I ended up solving this by installing Process Explorer. It has a global memory display. Carwash (1966) Sergeant Trevor Lomax gets on a train to York and meets Jimmy Fisher, a gambler, and Becka, Lomax's fiancé, who has just left Lomax to go and meet a cab driver. Lomax gets into a fight with a gang of local hooligans who threaten him, but gets away and on to York, where, having rescued the girl, he stows her away in the cab and sets about finding Jimmy. There is much comic business as Lomax attempts to explain the plot to the girl, who has spent a year in the mines while he has been under the sea, and a good deal of pub humour as Lomax seeks out the cab driver and his associates. There is also a good deal of bloodshed, as Lomax goes about pursuing the gang with their own weapons and explosives. Lomax is often short on ammunition, but this does not seem to be a handicap; he shoots well, and is expert with a pistol. The final scene of the film, on a lake shore, reprises the opening fight sequence. Becka reappears and explains that he lied to her. He then tells her about the girl; and they become quite happy. There follows a happy, comedic finale to the
