A sleek new take on the classic board game that combines elements from both the historic and contemporary styles of chess. With the bold and distinctive design of the Purling London range, you are sure to have a collection of pieces to last a lifetime. Comprising of a beautifully crafted wooden queen and bishops, a classic purlled chestnut rook and ash wooden queen, a purlled white queen and black bishop, all protected from the elements by a unique, water repellent leather crown and a velvet cover. The striking design of the Purling London set is complemented by the game's sleek and modern look, making this a collection of art and luxury that will stand the test of time! The Purling London set is available in a traditional and purlled version, depicting these chess pieces in one of the most classic styles ever conceived for the game of chess. Dual Black and White Chess Sets & Black & White Chess Boards Hardwood or Softwood? Wenge, Ash and Walnut are all possible options when selecting a chess set that matches the quality and style of your home. A wood chess set with a wooden board is very heavy and always best to select a softwood board that has been painted. If this option isn't available, the softwood board can be finished with an environmentally friendly water-based paint. Fully assembled Chess Sets Available If you need assistance assembling a hardwood chess set please contact our helpful customer service team who will always be happy to guide you through the process.
