Comment: I purchased Adobe After Effects CC 2011 12 0 3 0 1 12 0 0 0 2 1 0 0 2 3 3 0 1 . For an

organisation that can afford to purchase the CC product, but does

not need to distribute it, the question arises as to whether it is really a cost-effective product.

However I'm surprised that anyone would bother cracking software when the Crack is only \$29.99! What is the reason?
