Wonderful World (song) "Wonderful World" is the
only single released from the UK version
of The Grass Roots' 1977 album
Wonderful World of Grass Roots. Written
by Jerry Kasenetz and Jeff Barry, the song
reached number 11 in the United States
on the Billboard Hot 100 and number 1 on
the easy listening charts. The song was
their only national hit. The song was also
a hit in some countries in Europe. The
song was re-released in 2004, when the
British version of the album was re-
released as "Wonderful World: The Grass

Roots Story". The song was also featured on the 1987 release The Best of the Grass Roots, as well as its 2011 album reissue.
