Kazoku 06-10 07:51 PM I have been using a debt payment calculator for a while to give me some idea of what I should make my payments. I also use "bankrate" to give me interest and term calculations. If you are planning for a loan of more than \$50,000, go online and use these sites. Thanks for all the information you have provided me, no doubt i will go and try some of it to get a idea about what the hell is going on in my case. norton internet security 19.9.1.14 product key best antivirus norton 2011 version krow 03-21 01:26 PM Thanks for the heads up.I will ask them where my FEE should be paid and submit the same to USCIS. My name is Mohit. I am an NRC holder from Bangalore. My EAD started on May 11, 2005. I began employment on may 16, 2008. I was hired as a SO at a private firm. We all know that many of us are not going to work in a private firm now since the hiring has slowed down tremendously. The time spent at a corporate fir would be approx. 3 years. The problem is that my Company is located in a location on the outskirts. Only google can give me a positive assurance of the proximity of the place to Bangalore. So my guestion is, will we be eligible for transferable jobs in Bangalore by the end of May? It is hard to expect my transferable job after 9 months from now with a time difference of approx. 2 hrs. If you are located in a place outside of Bangalore, probably this whole question is irrelevant. There are no "transferable jobs". can't i reschedule my h1b visa interview today? I can't sleep, hungry, tired, worn out but I don't want to miss my scheduled h1b interview or losing my h1b. Hope to see some solution for that situation. If I miss my h1b interview and lose my h1b visa, I will be in serious trouble.plz reply asap, I really think we need to form an organization to bring this issue to the attention of the USCIS.
