Whether you're throwing down some jams at the kitchen table with the iPhone, or giving it some serious playtime with a laptop or desktop PC, you're bound to find inspiration in Rock Band. And even if you can't actually play a full set of notes on your phone, you can try out the band's in-game guitar and drums by tapping, flipping, shaking or sliding your fingers through the Rock Band app. There are tons of songs and three difficulty levels (Easy, Med and Hard) to choose from. One of the best is Metallica's Iron Man, for its easy arrangement, and The Devil You Know and Through the Fire, for their more upbeat play time. Of course, you can also stream music via Pandora and play your favorite songs from iTunes and the Rock Band library, but what if you want to chop it up and play along on an instrument that doesn't include plastic guitar strings? Fortunately, that's where the trusty Clone Hero guitar comes in. The free app lets you play along with songs from different genres and chart sets, from Korn to In the Aeroplane Over the Sea. Playing along? Simply drag your favorite song on top of the app and start playing. It's that simple. The application is completely free to download for your iPhone and iPod touch, so you can treat yourself to a little jam session today.
