Aug. 19, 2019 â€” An article praising the virtues of the Jitbit macro recorder. ðŸ!,, Author: admin
Hello again! As they say, "hello, friends, hello." For this article, I selected a few lines from my interview, which I took with representatives of the company, where the macro recording tool, Jitbit, was invented. By the way, in my opinion, this company is one of the best in Russia. At least in terms of the number of products produced. I will not say that they are the best, but among those that I have met - a very decent level.
