# Rappelz Slayer Tp Build

Deva Warrior Master Class An intimidating warrior, the templar is a formidable tank class that uses enhanced defense skills and uses different . For many centuries, warriors have been the ones who have stood against the violence and cruelty in the universe. As technology advances and is used in industries ranging from martial arts to science and technology, warriors have fundamentally changed their role and even their name. In today's world, warriors no longer fight for survival and fight to defend their homeland; instead, they serve and serve for the good. For higher levels, you can get a new class called Virgo Mage (Virgin Warriors).
