More importantly, there are random time discounts (5, 10, or 15 seconds) that, when met, will grant the player bonus health, +50 EXP points, or +50 coins. Dragon Ball Z Battle Royale [5] has been available for the Xbox 360, PlayStation 3, and PlayStation Vita (as Dragon Ball GBA Dragon Radar Season 4). It includes 12 characters. The game has five difficulties (Easy, Normal, Medium, Hard, Very Hard), which can be accessed by pausing the game and then selecting the new one. If the player picks very hard, all of the character's attributes will increase (attack, defense, health, ki, etc.). Characters will also gain experience points when doing damage or defeating opponents. Enemy ship strength is not reduced throughout the game.
