If you're still having issues, check out what we learned after downgrading to the NVIDIA 210.73 drivers. (Older drivers tend to perform better for Watch Dogs as of today, we're still waiting on a response from NVIDIA to publish a supported driver for the 180 series.) And don't forget to check out our List of Recommended Video Cards for this game. The list below is a list of the latest changes in the Uplay changes. If you want to get other patch notes, use this site, <http://us.ubi.com/uplaychanges/>.
