How to Use Cheat Happens account software / trainer? [Please read the tutorial before using the trainer] (you will find it above "How to Use Cheat Happens account software / trainer") Cheat Happens Trainer is a tool that cheats you accounts that contains all the codes to cheat money, diamonds, rubies, simoleons and gems in the game. It's a sort of "cheat engine" that changes data of the game files. You can create more than 30 game rules, each one of them will change a specific data of the game (money, gems, etc). Create the rules you need by pressing on the "New" button, then create the cheat you want to use by pressing on "Add Cheat". Choose the cheat you want to use by press on "Choose Cheat" and then press "Open". Create the rule that contains the cheat you want to use by press on "Add Rule" Just press on "Start Cheat" and press on "Save" when you're done. Choose the save slot where you want to save the cheat (you can save it on one or multiple slots). Press on "Start Cheat" and then "Save". Get new codes using Cheat Happens trainer The trainer code generator allows you to get new codes (that you can add to your cheat list) from any of the available trainers. You can get as much new codes as you want by changing the number of trainers that you want to use and the new codes limit (1 for the first number, 2 for the second number and so on). You can choose to use the trainer software that is listed as "Premium" or "Free". Premium trainers are paid services that you can use for only one account or you can use as many as you want. Free trainers are free accounts that you can use as many times as you want. The only thing you have to pay is the amount of new codes. To get a code use this step: 1- Select the trainer that you want to use 2- Then, use the "Search Code" button to search for the trainer code 3- Once you have found the trainer code, press "Download Code" and then you can save the code to your account If you have any problems using the trainer software please contact us on support@cheathappens.com
